

Stage 6

Sequences

WHAT DO WE ALREADY *know?*

- Count forwards and backwards in tens, hundreds, thousands from any number up to 10,000, 100, 000 and 1,000,000
- Count backwards and forwards through zero

- Pattern
- Sequence
- Linear
- Term
- Ascending
- Descending

- Describe linear sequences
- Find missing terms in a sequence
- Generate terms from a description

Sequences- Targets

	Before Topic	After Topic	Teacher Mark
Recognise and describe a linear sequence			
Find the next terms in a linear sequence			
Find a missing term in a linear sequence			
Generate a linear sequence from its description			
Solve problems involving linear sequences
