

# Stage 6 Measuring Data

WHAT DO WE ALREADY *know?*

- Approximate a number by rounding to a given number of decimal places

- Calculate and interpret the mean as an average

- Average
- Mean
- Measure
- Data
- Statistics
- Approximate
- Round

## The Mean - Targets

	Before Topic	After Topic	Teacher Mark
Calculate the mean of a set of discrete data			
Interpret the mean of a set of discrete data			
Use the mean to find a missing number in a set of data			
Understand the meaning of 'average' as a typicality (or location)
